(p.t.o.)

3. The Director, State Health Systems Resource Centre (SHSRC) shall report to the Mission Director, National Rural Health Mission and Principal Secretary, HM&FW as per the guidelines of the Government of India.

4. The State Health Systems Resource Centre (SHSRC) will define the following programmes and formulate the guidelines, technical support and capacity building for strengthening public health systems :-

- a) Develop capacities in a network of institutions and individuals to improve the efficiency, effectiveness and quality of health systems through interventions at the national, state, district and sub-district level.
- b) Respond to technical assistance needs of the district and state health departments by mobilizing suitable agencies with necessary skills, by capacity development in technical assistance, institutions, by sharing of good practices and by training and orientation programmes.
- c) Facilitate the process of developing decentralized and accountable service delivery systems with community ownership and public participation in governance mechanisms
- d) Assist District in establishing functional, effective, state-of-the-art Health Management Information Systems.
- e) Be a focal point in the identification, documentation and dissemination of knowledge and experiences in health systems and health program across the different states and across countries. Provide evidence-based insights on wider determinants of health outcomes and the choices in strategy available for health planning.
- f) A focal point in the identification, documentation and dissemination of knowledge and experiences in health systems across countries and Indian states.
- g) A channel for identifying and drawing in technical assistance.
- h) A forum for sharing the outputs of technical assistance projects that are completed and to provide information on those that are ongoing, including the work of the National Health Systems resource Center's.
- i) Provide technical assistance to HM&FW Dept in carrying forward the agenda of Andhra Pradesh Health Sector Reforms Project being implemented with DFID assistance.

5. The estimated annual expenditure of Rs.40.92 lakhs (Rupees forty lakhs ninety two thousand only) shall be met from the National Rural Health Mission.

6. The Commissioner of Family Welfare & Mission Director, National Rural Health Mission shall take further necessary action for setting up of the State Health System Resource Centre (SHSRC) and for filling up of the posts sanctioned for the Centre.
